

## REMARKS

### *Publication Refused*

The Publishing Division refused publication of the above-referenced issued patent due to inadequacy of the Specification. The Brief Description of the Drawings lacked a description for submitted Figure 21. Applicant has made the above amendment to include Figure 21 in the Brief Description of the Drawings.

## CONCLUSION

Having addressed all matters raised by the January 19, 2006 Office Communication, Applicant respectfully requests that this patent be published.

Respectfully submitted,

Date: 2-16-06
